

## **Recorder Contract**

Upon returning this signed recorder contract, I will receive my recorder and Recorder Karate packet from Ms. Haroian **when we come back to school after Winter Break**. The school district provides one packet & one recorder, per student: in the event that my recorder packet is lost, it is my responsibility to print a new packet from the music class website; in the event that my recorder is lost, broken, or stolen, it is my responsibility to replace it at my own cost. I understand that my recorder and recorder packet are a part of my required materials grade for class and failure to bring them to class will result in the lowering of that grade.

I also understand that I am to keep track of my at-home practice minutes for each week, and have a parent leave a written comment on my practice journal every week before returning to music class. I know that the signed practice journal, at the end of each 4-week session, will also be a portion of my grade for the Recorder Karate unit.

**Keep this portion at home!!!**

---

**Return this signed part of the contract to Ms. H by FRIDAY 12/13!**

- I understand that I will only get 1 recorder & 1 music packet from the school.
- I understand that I am to keep track of my practice minutes for each week on my practice journal.
- I understand it is part of my grade to bring all materials to music class each week, and to practice my recorder at home.
